VOTE BORDWELL TO CHAPMAN

SAVE PARTY LINES AT ELECTION TUESDAY

In three more days California will vote on delegates to the various national conventions to make nominations of candidates for President of the United States.

While the political pot has been simmering for some months, it came to white heat only a few weeks ago when the so-called "United" Republicans sprung into existence, being hatched from the private incubator of Governor Johnson, and through this political trickery he hopes to gain control of the Republican party in California.

Not only is it the ambition of the Johnson-Earl "hydo-electric" element to dictate to the Republicans of the State, but they seek to destroy party lines—to do away with political parties in national government. This they have attempted several times, but they were downed by the people on each occasion.

The Earl "hydro-electric" ticket is masquerading under the false cry for "harmony." They call their ticket the "United Republican" ticket, hoping thereby to create in the minds of the unthinking voter the impression that they are the Simon-pure harmonizers and that the Regular Republican ticket is just the opposite.

Reports from all parts of the county indicate that Mendocino will give the Regular Republicans a landslide vote—the vote they deserve. The only question to be determined is whether Hiram Johnson will rule the State with his "hydro-electric"—the meaning of which has already been explained—political friends or whether the people of the State shall have the controlling hand in political affairs.

Do you believe in government by parties or do you believe in the political trickery of non-partisan principles? That is the question, and the only question which confronts the voters on next Tuesday. It is the duty of every citizen to go to the polls and have a voice in the verdict.

Call for a Republican ballot and stamp the last twenty-six names in the column—from Bordwell to Chapman.

GRANDMA WHITE IS SUMMONED BY DEATH

After many months of patient suffering, Mrs. Priscilla White, a beloved pioneer of Mendocino county, passed away at the home of her daughter, Mrs. Priscilla Moungovan, near Point Arena. She was laid to rest in the Point Arena cemetery.

Priscilla Waterman Haskell was born in Warren, Knox county, Maine, May 29, 1838, and was among the pioneers who experienced the trying hardships of early life in California. On December 1, 1874, she was married to William Henry White, a native of London, at a public wedding in the Odd Fellows' hall in this city. Her husband, who was a wellknown tailor here, passed away more than a score years ago.

Mrs. White was the mother of the late W. O. White, for many years publisher of The Press, and is survived by only one child, Mrs. Moungovan, and a brother, William Haskell, of Point Arena. Many friends who loved this worthy pioneer will extend the deepest sympathy to the bereaved family and relatives.

MANGLED ARM REPAIRED; DRUGGIST RETURNS HOME

John Triguerrio, popular proprietor of the Mendocino Drug Company, was in this city yesterday en route to his home in Mendocino after having been under the care of surgeons several weeks in San Francisco. Triguerrio's hand was caught in the belting and machinery of an electric ice cream freezer at his place of business some months ago and the hand and arm was frightfully mangled. The physicians were able to save the member, however, and with the aid of silver plates have made it almost as good as new.

SANTA ROSA HOPMAN BUYS LAKE CO. FARM

One of the most important realty transactions that has been consummated in a long time, and involving an outlay of $100,000, is the purchase by C. C. Donovan, Santa Rosa hop king, of the 4,000 acre William L. Olmsted ranch in Lake county.

The ranch is considered one of the finest pieces of property in Lake county, is located two miles northeast of Middletown. Of the 4,000 acres 1,400 are in alfalfa and on rich bottom land.

There is an abundance of water and irrigation on the place, the irrigation system alone having cost $25,000 to install. There are some very valuable water rights on the estate.

MIXOLOGISTS WILL TRY SPEED BURNING STUNT WITH CADILLAC EIGHT

Frank Gibney and Lew Reese, mixologists at the Palace Buffet, have been stung by the speed bee and are burning up the State's new highway with their Cadillac "eight," which was purchased this week from Ed. Hensley of Upperlake. The car has all the up-to-the-minute attachments and equipment of Noah's time, and, mechanically, has lost none of the pep and ginger which carried it through the trying times of '76. While it has been officially christened the "Cadillac Eight," the name might be a little misleading, since it has only one cylinder, but a capacity for eight passengers.

LOCAL MAN WINS TALENTED OAKLAND GIRL AS BRIDE

Richard Probst, an employee of C. Hofman Company of this city, and Miss Elizabeth Catherine Whelan, a talented young woman from Oakland, were wedded at the Catholic church by Father Sebastian Wednesday.

Announcement has been made of another wedding to take place at the Catholic church tomorrow when John Turri will claim Miss Mary Lucatelli as his bride. Both are residents of this valley.

COAST ROADS ARE GOOD; COUNTRY IS PROSPERING

Pat Connolly, of the Connolly and Handy Abstract Bureau, returned the early part of the week from a several days' tour of the coast section and brings back most optimistic reports of conditions in that prosperous part of the county. The roads are good, crops show excellent prospects and the lumbering industry is booming, according to Mr. Connolly.

He was accompanied on the trip by his daughters, Miss M. E. and Miss Gertrude, and son, W. D. Connolly, and Mrs. H. R. Obrell, who has been a guest at the Connolly home.

During the trip they visited Fort Bragg, Mendocino, Albion, Greenwood and the towns en route.

FORMER UKIAH GIRL IS BRIDE IN CITY OF ROSES

Miss Leta A. Lucas, daughter of T. A. Lucas, formerly of this city, became the bride of Henry E. Congor in Santa Rosa Monday afternoon, the Rev. Father J. M. Cassin performing the ceremony. The bride is a trained nurse and had been employed at the Burke and general hospitals.

TESTS FOR TEACHERS WILL START MAY 8

The examination for teachers' certificates will be held during the week of May 8, according to the Board of Education, which was in session the early part of the week. It is expected that there will be an exceptionally large class, inquiries and applications coming from as far away as the Atlantic states.

During this week's session, the board prepared examination questions for the seventh grade promotion and the eighth grade graduation in the grammar schools, and will meet again on May 6 to prepare questions for the examination for teachers' certificates.

BANKERS TO HAVE TWO DAYS OF FUN

Business and pleasure will mingle freely on the programme prepared by the committee in charge of arrangements for the Mendocino Banker's convention to be held in this city May 5 and 6.

The programme will open at 2 o'clock Friday May 5, with a meeting for organization, to be followed by a banquet at the Palace Hotel at 8 o'clock. Saturday the day will be started at 8 o'clock with an automobile excursion, and at 2 o'clock Russell Lowry, president of the First National Bank of Oakland, will address the county bankers. In the evening a theater party will be held at the Victory.

The programme committee is composed of J. M. Mannon of the Savings Bank of Mendocino County, H. T. Hopper of the Bank of Ukiah, and W. P. Thomas of the Commercial Bank of Ukiah.

CUPID SUFFERING FROM SPRING FEVER, IS LAZY

Only four licenses to wed were issued during the past week, one couple coming all the way from San Francisco to keep up the average in this county. Cupid Catherine Thomas declares that the love god is suffering from an attack of spring fever, which accounts for the small number of licenses and also the poor matches in regard to age.

Those who secured licenses were:

Charley Meyer, 34, and Mary Elizabeth Martindale, 17, both of Dos Rios; Roy Daniel Sullivan, 25, and Gladys H. Wagner, 23, both of San Francisco; Richard William Probst, 21, of Ukiah, and Elizabeth Catherine Whelan, 19, of Oakland; John Turri, 22, and Mary Locatelli, 18, both of Talmage.

STATE HOTELMEN TO MEET HERE MAY 20

Vichy Springs Will Be Scene Of Annual Spring Confab

ALSO TO HOLD JINKS

Northern Landlords To Have Gay Time At Popular Resort

Bob Jones, popular landlord at Vichy Springs, will be the host to a half-hundred hotelmen of Northern California on May 20, when the Northern Hotel Keepers' Association opens its annual spring meeting at that wellknown resort.

Vichy was selected as the meeting place at a conference in Sacramento Tuesday, the motion being made by James Woods, manager of the Hotel St. Francis, San Francisco, after Jones and Frank Sandelin, who was also in attendance, had completed their campaign to bring the hotelmen to Ukiah.

It is expected that fifty wellknown hotels in the northern part of the State will be represented when the delegates invade this city, and since they are also to hold their spring jinks at Vichy, they will be accompanied by their wives, making at least a hundred people who will be here for the occasion.

The Palace and Cecille hotels will join in entertaining the guests, both being members of the oragnization, and a gala social week is anticipated.

ODD FELLOWS HOLD GAY BIRTHDAY FETE; HOSTS TO REBEKAHS

NINETY-SEVENTH ANNIVERSARY IS CELEBRATED AT MERRY REUNION AND FEAST.

The ninety-seventh anniversary of the establishment of Odd Fellowship in America was fittingly observed by Ukiah lodge on Tuesday evening when the order entertained its sister degree, the Rebekahs, at a most enjoyable social evening.

Noble Grand George David was the presiding officer and an interesting programme opened the evening of gaiety. Louis Hardie gave the address of welcome, Miss Marguerite Thomas was heard in a delightful vocal solo, Mrs. Nathan Beckley gave a short history of the work and ambitions of the Rebekah degree, and the Rev. D. Catchpole gave a history of Odd Fellowship in America.

The program was followed by a sumptuous banquet, over which T. J. Weldon presided as toastmaster. The hall was prettily decorated, and the hundred Odd Fellows and Rebekahs in attendance voted the affair the most successful and enjoyable birthday party in the history of the local lodge.

MERCURY CONTINUES TO CLIMB; PLUVIUS RESTS

While farmers and stockmen are condemning Old Sol and praying for at least a couple of inches of rain to help the crops and ranges, Dr. George McCowen, local observer, declares that Pluvius is already on his annual vacation and fails to report even a drop of rain for the past week. The total for the season is 34.15 inches, against 45.75 last season. The maximum temperature for the week was 79 degrees on Tuesday and the minimum 34 on Saturday and Sunday.

JITNEY TANGOS WILL SWELL 4TH OF JULY FUNDS

A series of eight nickle dances has been arranged by the finance committee of the Fourth of July Celebration Committee as a means of helping to swell the fund to hold the big joy festival on July 2, 3 and 4. The first dance will be given in front of the court house on the evening of May 6, and they will be held each Saturday night following.

An enthusiastic meeting of the general committee was held on Wednesday evening at which time it was decided to have an illuminated growlers parade on the evening of the Fourth, together with fire works and a merry Mardi Gras festival.

The finance committee reported that it already had $539 pledged by local business and professional men, and final plans for the big celebration are rapidly being rounded into final form.

ALBION WOMAN DIES AFTER LONG ILLNESS

Mrs. E. F. Alexander, for many years a resident of Albion, passed away Wednesday after a lingering illness, and the funeral service will be held this afternoon in the coast town.

Mrs. Alexander was a native of Minnesota and was 47 years old. She is survived by three children, G. F. Alexander of Albion, Fitzhugh Alexander of Eureka and Miss Lillian Alexander of Albion, who is one of the county's popular teachers.

Among those from Ukiah who will attend the funeral are Mrs. Anna Porterfield, Miss Wanda Lawson and James C. Hurley.

YOUTH MEETS DEATH IN SWIMMING POOL

Plunging into a pool of cold water after eating a hearty picnic lunch, cost the life of Willie Brann, a ward at the Albertinum Orphanage Tuesday afternoon when he drowned within a stone's throw of his schoolmates.

Several children from the school were picnicking in Todd's Grove when Willie Brann and a playmate separated themselves from the rest and made for the swimming pool. Brann was first to plunge in the water and when he did not rise, his companion ran to secure assistance.

Instead of reporting it at the grove, however, he made for another part of town, finally informing J. R. Gibson, who succeeded in getting the lad out of the water, and Dr. Liftchild was summoned but all efforts failed to revive the youth. The coroner's jury yesterday returned a verdict of accidental death.

WOMEN ARRESTED DURING RAID; GUILTY; FINED $25

Esther Aharn and Eva Davis, arrested for vagrancy in the recent raid on the Fort Bragg redlight district, pleaded guilty before Judge James C. Hurley yesterday, through Attorney C. H. McConaughy. Both paid fines of $25, after a plea for probation had been denied by the court.

NO GAME SUNDAY

The baseball game which was scheduled for Sunday between the Ukiah Brownies and the Hopland nine, will not be played. Hopland sent word yesterdsy that they were not in proper condition, but when they do show up, at a later date, expect to take the locals into camp. On May 7 Manager Brown has arranged for a game with Albion on the Ukiah diamond.

HEIRS END FIGHT FOR $100,000 ESTATE

Contract Awarded To Survey Big Hardin Holdings

LONG IN LITIGATION

County's Biggest Stock Ranch May Soon Be Subdivided

After a half-dozen years of wrangling and litigation, the vast Hardin estate in the northern part of the county is to be surveyed for subdivision and distribution among the several heirs. The 11,000 acres of the estate, which lies in Long Valley, Cahto and Sherwood Valley, is valued at approximately $100,000.

Since the death of Colonel James A. Hardin eight years ago, the big cattle ranch has been managed by the administrators, Amos Riley Hardin and W. J. Eardley. During this time several attempts have been made to close the estate and divide the property, but all attempts to reach a satisfactory settlement have been futile, except with Mrs. William Upton, one of the daughters, who has been awarded a part of the Long Valley ranch and property in Santa Rosa.

It is believed that the awarding of a contract to survey the ranch, executed in Santa Rosa this week, means that terms have been agreed upon. The contract for making the survey was awarded to J. E. Williams, wellknown civil engineer of Santa Rosa, for $1800, and it is expected that it will require at least two months to complete the work.

The heirs interested in the division of the property are Amos Riley Hardin of San Francisco, Ed. Hardin of Venice, Mrs. W. J. Earkley of Berkeley and Mrs. Chet Pooler of San Francisco.

TWENTY-TWO YEARS WEDDED; WIFE SUES

After twenty-two years of wedded life, Mrs. Viola Lownes this week started suit for divorce against J. E. Lownes of Talmage, alleging desertion and failure to provide. The couple was married in Humboldt county February 24, 1892, and separated September 1, 1914, according to the complaint, which was filed by Attorney Charles Kasch.

The case of J. A. Dunn against J. H. Scales has been appealed from Justice C. W. Reinking's court at Point Arena and will be heard by Superior Judge White. The suit, in which Dunn is represented by Attorney J. W. Kingren, is to recover $269.50, with interest, alloged to be due for money loaned and in payment for 131 days work.

J. M. Haigler, through Thomas and Thomas, has brought suit against Lorena Haigler, et als, heirs in the estate of the late Alexander McIlree, who left valuable timber interests in this county. Haigler asks for $1732.08, and interest, which he claims represents his expenses in the administration of the estate.

LINEMAN LYNCH FALLS FROM POLE; BADLY HURT

Roy Lynch, lineman for the Pacific Telephone and Telegraph Company, was badly hurt Saturday when he fell from a pole while repairing a wire. His climbers struck a knot in the pole and refused to hold. In falling he struck his knee, which was seriously bruised. Dr. S. L. Rea treated the injury, and Lynch is convalescent.

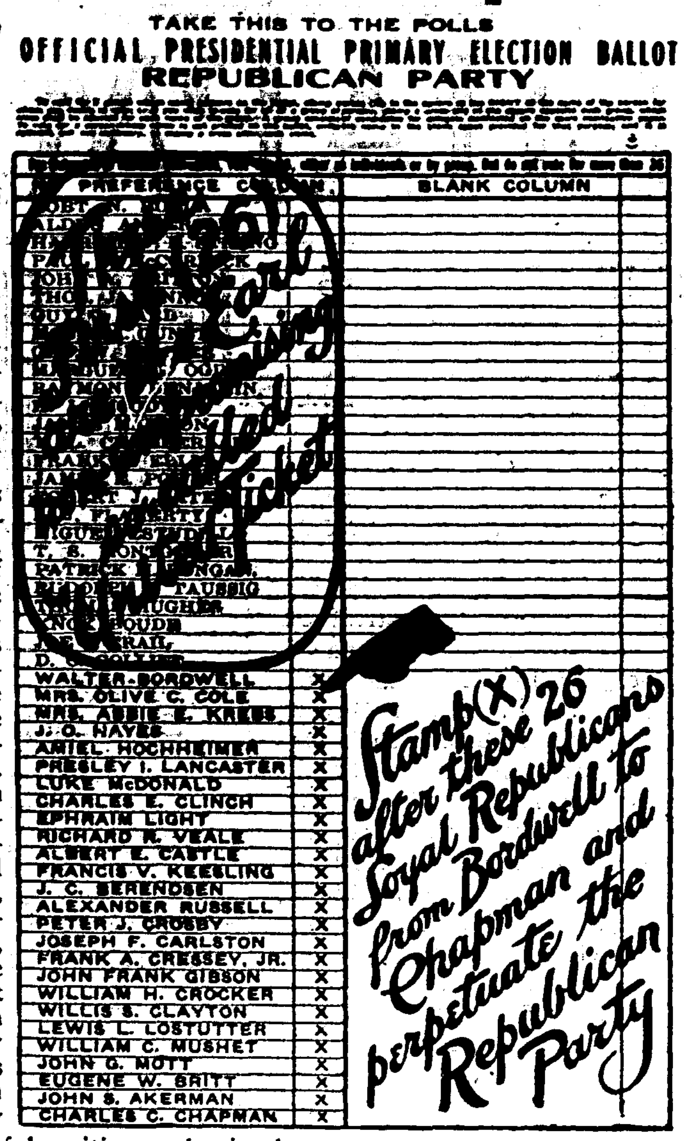
Regular Republican Slogan is "Vote Bordwell to Chapman"

Salvation of Party Is Issue in California



For the success of the Republican Party in California, at the presidential primary election May 2, vote for the 26 candidates nominated at the legally-called Regular Republican Convention held at the Palace Hotel, San Francisco, March 4, 1916.

This convention was attended by 500 in person and 300 by proxy, and was composed of the members of the State Central Committee and the various County Central Committees throughout the State, these being the legally-elected representatives of the party.

This convention named 26 plain, ordinary representative Republicans, not classified old-line Republicans, not classified administration Republicans, but Republicans whose names guarantee that they can be relied upon to do their full duty toward all Republicans and insure harmony in the party and victory over Democratic watchful waiting and misrule.

Opposed to the Regular Republican ticket is the Johnson-Earl "hydro-electric" hand-picked clique selected at the St. Francis Hotel, February 26th, by some fifty "invited" guests of Earl, representing only the Earl interests, but now masquerading as "United" Republicans whose admitted purpose is for disharmony.

All good citizens should register their protest against the present iniquitous primary law permitting the evils of colonization and elimination of parties.

The Regular Republicans stand for an honest primary law and for the preservation of the parties against all those who now seek to destroy them.

Stamp (X) on your ballot opposite the names of the 26 forward-looking Republicans as indicated above in the fac-simile of the ballot.

NEXT TUESDAY is election day, when the people of California, regardless of party affiliation, will determine whether they are to be guided by political parties in National politics or whether the party lines are to be destroyed. The voters expressed their wishes on this question some months ago when they voted down the non-partisan bills at a special election which cost California approximately $750,000. But the Johnsonian powers were not to be defeated and at a special session of the legislature, which added another half million dollars to the tax payers' burden, the work of the voters was undone.

And next Tuesday precisely the same question again will be put to the voters, in different form, on the Republican ballot. The candidates for delegates to the national convention of the Democratic, Progressive and other parties are already practically elected, since there are only twenty-six on each ticket and it would be almost impossible to defeat even one of the men whose names appear on these ballots. Under the caption of Republican, however, there are fifty-two names, the latter twenty-six being Regular Republican candidates, selected at a regularly called convention of more than 800 delegates, and who will fight to maintain the principles of government by party. The first twenty-six are the so-called "hydro-electric" element, who desire to destroy political parties, and have been instructed to do so by their first chief, Hiram W. Johnson. They have secured a place on the Republican ballot under the fictitious name of "United Republicans."

Governor Johnson has endorsed these "United" candidates, and it is to gain this one frail point—the election of these men by masquerading them under false colors—that he is again gambling with another million dollars of the people's money by holding this unnecessary election next Tuesday. There is a Progressive ticket in the field, but the Governor and his coterie of "hydro-electric" politicians could not see their way clear to gain their point by nursing the infant party. They deserted it, and the schemers who have in charge Governor Johnson's political fortunes and, incidentally their own, called a *private* conference at which the masquerading of these candidates was decided upon as the only way to mislead the voters.

It is not necessary to be registered as a Republican to call for and vote a Republican ballot at the primary election next Tuesday. The "United" leaders have made this very plain to those who must take orders, as well as those who can NOT AFFORD NOT to take orders, and it is very evident that many registered Progressives, including First Chief Johnson, will vote on a Republican ballot.

This is not a fight for the Regular Republicans alone, but a fight for every registered voter in California, regardless of political affiliation, to wage against those who would destroy all party lines. Whether you are a Democrat, a Socialist, a Prohibitionist, or even a Progressive, and you believe in the necessity and desirability of political parties in the National politics, this is your fight. Call for a Republican ballot and vote for the last twenty-six candidates in the column, from Bordwell to Chapman—the men selected by the State and County Central Committees in regular convention, and who will fight to maintain the principles of government by party.

Ralph L. Hathorn, campaign manager for the Regular Republicans, has issued the following statement regarding the situation:

"The work done by the Regular Republican committee to date promises victory on May 2. Only three days of the campaign remain and if the same progress is continued there is no question of successful results. We base our opinion upon the numerous reports which we receive from every county throughout the State. It all comes down to this, that whenever and wherever the voter of the State fully understands the issue there is no question but that from his heart and from his head he is on the side of fair play and a square deal.

"As we stated at the outset of this campaign, there is only one issue and that is whether the real Republicans of the great State of California will conduct the affairs of their party, or whether they will permit outside dictation and domination.

"The voters are rapidly realizing that the Earl ticket represents simply Johnson and his special interests, namely, the 'hydro-electric' power companies, who seem to be indissolubly joined with him today. Just as in 1910, the people of the State of California kicked Herrin and the Southern Pacific Machine out of the politics of California, so will they now dispose of the new boss and the new interest that are seeking to dominate the politics of the State.

"There is only one ticket before the public that represents the Republican party and that is the Regular Republican ticket named at the Palace Hotel March 4, by a convention of 500 delegates from all parts of the State and further represented by 300 proxies. This convention was called by the State Central Committee and was composed of the members of the State Central Committee and the various county central committees from every county of the State, who were the real representatives of the Republican party, having been duly and regularly elected by the people.

"The regular Republicans stand opposed to the ignominous and rotten primary law passed by the legislature of 1916, at the dictation of Hiram Johnson, and in direct violation of the wishes and commands of the people as expressed in the constitutional election October 27, 1915, where Johnson's scheme of substituting his personal government in the State and breaking down all parties was overwhelmingly defeated by the people.

"The women of California are also learning that they can expect no support for their National suffrage campaign from either the Earl so-called "united" faction or from any other party than that of the Regular Republicans who endorsed the Mondell-Sutherland Constitutional Amendment, at their convention at the Palace Hotel. The women also remember that Hiram Johnson positively refused his aid to the women of California in their suffrage campaign in all his campaigns and especially at the time he was advocating his initiative, referendum and recall measures.

"It will be remembered that Johnson's loud voice echoed all over the State for these things and he was absolutely silent on woman's suffrage for the State of California, and even in this campaign the Johnson-Earl assemblage at the St. Francis Hotel, deliberately turned down the indorsement of the Mondell-Sutherland amendment.

"From all quarters and from every angle it is apparent that the Regular Republican, Bordwell-to-Chapman, ticket, for delegates to the National Convention will be overwhelmingly elected May 2."

STEG VS. DINO

HENRY FORD'S management announces an exhibition of Jingo, the fifteen-foot dinosaur, throughout the middle west in the immediate future. The barkers for the show are the noted Stephen S. Wise and the Rev. John Haines Holmes.

"This is Jingo, the armored dinosaur," they will shout; "all armor plate and no brains—come one, come all—only one jitney. This animal believed in huge armament; he is extinct."

Jingo, being dead, besides having no brains, can't object to anything the barkers say about him. But his first cousin, Stegosaur, who is also dead and in the United States national museum, left another explanation. Steg's fatal mistake was that he did not learn to fight. He trusted in his armor. Also he lived too high and grew fat and lazy.

He became a vegetarian—doubtless justifying himself by moral reasoning—and let his teeth grow soft. Probably he thought that if he sharpened them up other animals would grow suspicious of him and attack him. Besides, there was a wide ocean between—pardon, we meant a thick armor plate—between him and their attacks.

We suggest that the Ford management arrange a duel between Steg and his cousin Dino, or if that be too inhumane, let them get together and argue about it.

THE time has come once more when the dancers can do a waltz in a graceful, refined and elegant manner without being accused of backwoods rusticity.

PREPAREDNESS

CONGRESS through its military and naval committees has listened to a good deal of theory on natiional defense. It has given ear to almost every sort of adviser from veteran experts of the war colleges to excited ladies whose knowledge of international relations and of warfare was gained in settlement work and women's clubs.

Doubtless so hospitable a disposition will not turn a deaf ear to the advice of the Spanish War Veterans, who speak from personal experience of the manner in which Uncle Sam treats his "boys" when they have answered his call. The resolutions of these men ought to outweigh an avalanche of pacifist theory, and they come in good time upon the heels of Hay bill fiasco. What the men of '98 endured the men of '16 would have to endure if men like Hay, Clark, Kitchin, Myers and their like are to shape our measures of preparedness. In some details they would be better off. We have discarded the old guns and black powder. But what if we haven't enough of them? And shall we be better off for proper encampments, better food, better supplies, better officers and organization?

The cold truth which Congress should be compelled to face now is this: Though our international complications are more threatening and more serious than ever, we are essentially in the same predicament as we were in 1898, and if the Hay bill prevails we shall continue to remain so until tragic disaster again teaches us our criminal folly.

Four generations ago Light Horse Harry Lee said: "A government is the murderer of its citizens which sends them to the field uninformed and untaught, where they are to meet men of the same age and strength mechanized by education and discipline for battle."

Government after government has committed that murder. Are we not ready to purge ourselves of this crime?

MODERN TRADE

FORMERLY merchants used to make customers for a lifetime. Trade was handed down from father to son. If your parents had always patronized a certain store, you kept on buying there. If a merchant had always dealt fairly, you were as slow to go elsewhere as to discharge a faithful family doctor. People hated to change trade relations.

Whatever can be said in favor of that point of view, it has gone by now. People like to change around from store to store. They like to test our various merchants, and patronize the one that for the moment seems to have landed the best bargains. The fact that they bought goods of A——— today and were satisfied, by no means proves that they will buy there tomorrow.

Hence it becomes necessary for merchants to keep up a constant campaign of solicitation. In order to get business, they do not as formerly have to work against fixed trading habits. It is not difficult to get new business. The person who bought of the other fellow yesterday will come your way tomorrow if you make a little effort to prove to him that it's worth while.

You may admire the loyalty of the family that used to stick to one store and buy nothing elsewhere. But there was a danger that the merchant would come to feel that he owned that trade. It would be human nature to make a little less effort to please, since he was sure of keeping it.

No one store has a monopoly of bargains. Sometimes one will make a strike, sometimes another. The only way to find out where you can buy to best advantage is to read the newspapers carefully. Time is too precious for people to tramp all over the stores and personally examine and compare everything. Those who do it usually go through the woods and pick up a crooked stick at last. There is an economy of time, effort and money in seeing what the merchants say through the newspapers. The merchant with a real bargain doesn't keep still about it.

THE optimist thinks of the bright sunshine; the pessimist of all the litter strewed around the back yard that must be cleaned up.

IN spite of the fact that he is thoroughly disapproved of by Colonel Roosevelt, President Wilson, after mature deliberation, has decided not to resign.

PEOPLE who are learning to drive automobiles are urged to "Keep Cool," which advice they receive much like the man who is told by the protographer to "Look Pleasant."

NEWSPAPER enterprise is a mighty good thing within reason, but just now along the border, the principal beneficiary seems to be Francisco Villa.

ALL this trouble in Mexico is due to the fact that the warriors of that country have discontinued the useful and patriotic task of killing each other and have transferred their activities elsewhere.

IT will be a great personal sacrifice for the politicians to attend the national conventions, but of course they feel under obligations to go and give the country the benefit of their superior wisdom.

SPECIAL TRAIN FOR SANTA ROSA MEET

Despite the exceedingly light traffic on previous occasions, and against the better judgment of railroad officials, the Northwestern Pacific has consented to run a special excursion to Santa Rosa tomorrow on account of the field meet to be held in the Rose City.

The train will leave this city at 8:20 o'clock in the morning, and, returning, will leave Santa Rosa at 5:20 o'clock in the afternoon. The fare for the round trip will be one dollar.

The officials were loath to grant this low rate because in many previous instances the trains which have been run for field meets and other attractions have been poorly patronized and the company has almost invaribly faced a deficit in the operation of the train. However, Ukiah will send a big team to the meet tomorrow and a number of rooters are contemplating making the trip.

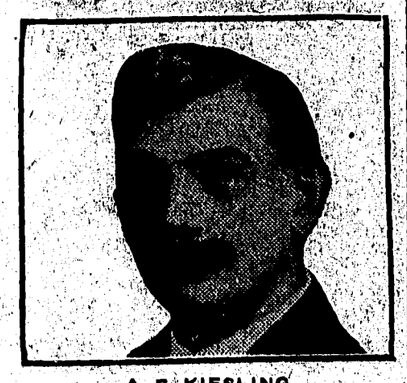
DRINK SIX GLASSES OF WATER DAILY

An Interesting Statement by One of the Big Men in the Drug Business



A. E. KIESLING

of Houston, Texas, says:

"If you have a muddy complexion and dull eyes, you are constipated. Six glasses of water daily and one or two Rexall Orderlies at night will correct this condition and make you 'fit as a fiddle.' Spring.

Spring is looked upon by many as the most delightful season of the year, but this cannot be said of the rheumatic. The cold and damp weather brings on rheumatic pains which are anything but pleasant. They can be relieved, however, by applying Chamberlain's Liniment. Obtainable everywhere.

"PENN'S THICK" FLAVORED BY NATURE

Plug is the Best Form in Which Tobacco Can Be Made, and Penn's Thick is World's Best Plug

IT'S THE TASTIEST OF CHEWS

Nobody knows how to mix flavors like old Nature does—and it's the true nature-flavor—the real flavor of rich, ripe, white Burley—that you get in a chew of Penn's Thick Natural Leaf.

The most satisfying and wholesome way to use tobacco is to *chew* it—and the best and cleanest form of chewing tobacco is the *plug* form in which Penn's Thick is made.

Penn's Thick is the one "natural leaf" tobacco that lives up to its name and gives you the natural flavor.

Penn's Thick is made of the choicest white Burley leaf, in the world's greatest plug tobacco factory, and under absolutely clean, sanitary conditions.

Try Penn's—you'll know right away that you're tasting real *tobacco*.

Penn's is guaranteed to be the best Natural Leaf Tobacco made. Any dissatisfied customer can return it to any merchant, whom we hereby authorize to refund the money. Try a 10c cut to-day.

Why Suffer With Backache, Kidneys or Rheumatism, Now?

Letter Tells of Long Looked-for Prescription.

Dear Readers:—I am making a personal appeal to those of you who are bothered with kidney and bladder trouble and rheumatism, to give up the use of harsh salts, or alcoholic kidney medicines that you know nothing about, and in their place take a short treatment of "An-Uric" and be convinced of its superiority, as I was.

I have taken many of the kidney medicines but none with the results of "An-Uric." I am so pleased with the curative properties of this wonderful prescription that I cannot say enough about it.

You've all undoubtedly heard of the famous Doctor Pierce and his well-known medicines. Well, this prescription is one that has been successfully used for many years by the physicans and specialists at Dr. Pierce's Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for kidney complaints, and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine, and urinary troubles.

Up to this time, "An-Uric" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing tablet, Doctor Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers.

I know of one or two leading druggists in town who have managed to procure a supply of "An-Uric" for their anxious customers in and around this locality.

At any rate don't give up hopes of being cured of your malady until just a few doses of "An-Uric" has proven that it will make you feel like a different person.—E. L. R.

FINNE BROTHERS TO INSTALL IRRIGATION SYSTEM IN REDWOOD

MANY IMPROVEMENTS IN RICH FARMING SECTION NORTH OF TOWN; NEWS NOTES.

(Press Special Service.)

REDWOOD VALLEY, April 27.—Mr. and Mrs. L. C. Stephens spent a few days of last week at Oakland.

Prof. and Mrs. Stuart and son, Reginald, with their guests, Miss Morton and Miss Barkman, were passengers on the southbound train for Oakland Saturday morning. Prof. Stuart will resume school duties, and the Misses Morton and Barkman will continue their class work in the Polytechnic High School.

The Finne brothers, Will and Fred, are installing an irrigation system on their ranch. By connecting their pipe line with Forsyth Creek, they will be able to irrigate their lowland without aid of a pump.

J. F. Carter transacted business at the county seat Tuesday.

Mr. Rosander and family, with a party of young people from the valley, spent Sunday at Reeves canyon.

Mr. Kenna and little son, who have been guests of Mr. and Mrs. Gus Page for the last two weeks, will return to their home in San Francisco Saturday.

Redwood station and the manganese mines are busy sections. Great quantities of manganese are being shipped from the station. Owing to the advance in the price of the ore, the mines have taken on a new impetus.

Attorney Clarence Tindall, formerly of Redwood Valley, but now of Lakeport, has taken unto himself a helpmate. Friends congratulate Mr. and Mrs. Tindall.

Carey Hargrave, with Mr. and Mrs. Rosander, were county seat visitors Tuesday.

Mr. and Mrs. Wilder of San Diego came for a few months visit with Mr. and Mrs. J. F. Detwiler Saturday.

Mrs. Mary Russell and Miss Minnie Tolman of Redwood station were the guests of Mr. and Mrs. Jasper Seward of Reeves canyon Monday.

A fine boulevard will soon be completed from the Van Arsdale residence in Walker Valley to the State Highway.

Redwood Valley's "Social Club" will meet at the Forsyth school house Saturday night. The program will consist of a mathematical contest, readings and music.

Mrs. J. F. Detwiler is hostess for the "Thimble Bee" this afternoon.

DR. STORK IS BUSY

Two babies were born at the Langland Hospital this week. On Wednesday a nine pound girl was born to Mrs. A. B. Howard. Early this, Friday morning, Dr. Stork presented Mrs. D. Grothe (Jennie Goodrich) with a 9½ pound girl. Dr. Van Allen is the attending physician.

"HELLO BILL GIRLS" MEETING

A most enjoyable Easter meeting was held by the "Hello Bill Girls" Club Saturday afternoon at the home of Mrs. Hazel McGarvey, on School street, the hostess being assisted in entertaining the members by Mrs. Hazel Ford.

The "Hello Bill Girls" Club dance was the principal subject before the business meeting and it was decided to make it one of the gayest social affairs of the season. The dance will be given on the evening of May 15.

The luncheon tables were profusely decorated with roses and greens with many unique features worked out in the scheme of decoration, the place cards being rabbits and Easter eggs. The next meeting will he held at the home of Miss Agnes Cunningham on Saturday, May 6.

MIDST FOOTLIGHTS, MEET AND STUDIES HI SCHOOL IS BUSY

FAIR PLAY SAYS PRESS SCRIBE TO CRITICISM OF COUNTY FIELD MEET.

BY LUCILLE CLELAND

Miss Haile and Miss Place, two of our teachers who spent thier Easter vacation in the bay cities, resumed their duties at school Monday morning.

Contrary to some public opinion the county track meet held here a week ago Saturday was fair, according to the witnessing public and our competitors. It has been said that the meet was given to us in order that we might obtain all the medals. Now, we did not win every event neither did we take a medal that was not justly and fairly won. We should not kick because our boys show superior skill in an event, neither should we purchase medals as consolation prizes, but rather we should encourage our boys that they may keep up the record our school has had in the past.

The Misses Merle Harvey and Vivian Burrows spent their Easter vacation at their homes in Potter Valley. The young ladies left town about four o'clock Wednesday afternoon and walked to their destination making the trip in five hours. Both girls report that they enjoyed their walk and are contemplating repeating the performance.

Excursion On Saturday

The excursion to the track meet in Santa Rosa will leave Ukiah next Saturday morning at 8:20 a. m. Undoubtedly a large crowd will be in attendance and will take advantage of the dollar rate to the City of Roses. Those boys who will represent U. H. S. are: Cox, Connolly, Ford, Ed. Ellison, E. Ellison, Scott, Milne, Andrews, Norgard, Broaddus, Richardson and German. With this team we sure ought to be able to carry home the bacon.

Francis Richardson of the Senior Class, has been absent from school this week.

Periods were shortened last Tuesday afternoon and a Student Body meeting was held at which time arrangements for the track team parade were made. After the business was over a few minutes were spent in yell practice.

Lela Gibson returned Wednesday evening from San Francisco, having gone down Sunday afternoon with Nina Holbrook.

The track parade held on the streets of Ukiah Wednesday afternoon was a credit to our school from start to finish. A drum proclaimed the coming of the track fellows in full dress followed by machines, various classes, cast and chorus. This was a fine advertisement for our play and school and it is thought that many towns people attended the play last night who would probably have forgotten that we even existed had we not made a show in the afternoon.

Nix On Vacation

During Mr. Schoer's absence as director of "A Modern Ananias" M. Aldrich, L. Cleland and L. Scott took charge of his classes.

Mary Devilbiss will be the chairman at Lyceum next Friday with an able corps of assistants. The standard of our Lyceum has been raised each time.

Mr. Thorne, local photographer, is taking pictures of the various members of the Senior class this month. These cuts will be neatly bound in a book which each student will purchase in order to recall "our days at U. H. S." in future years. Nice idea, isn't it?

A report was circulated last week that we would have vacation on the 27th and 28th of April. This report was wholly without foundation. We are at school to study and not to have every Thursday and Friday off.

Ross Ryder has lost his chemistry note book and it is to be hoped that it will soon reappear on the scene as his experiments will have to be repeated if the lost one does not wander in. Labratory notes must be presented upon admission to the universities.

The Misses Neva Duncan and Grace Gibson were members of a committee who gave a picnic in Hopland last Sunday.

Miss Jessie Burkhart spent last week-end at her home in Potter Valley.

Juniors Plan Party

The Junior Class are giving a party next Friday night in Cleland's Hall. Elaborate preparations are being made for this affair.

One of the most enjoyable features of the track team play last night was the chorus under the direction of Miss Haile. The girls had been working hard and deserve much credit for their success.

The Senior class have seven more weeks of school. This seems a very short time, particularly since the Spring days go so suddenly. The majority of the class will take up work at normal or university.

Erwin White, U. H. S., was noticed on the streets of Ukiah last Sunday. Young White holds a very responsible position with the L. E. White Lumber Company.

A paper from Sparks gives an account of a school entertainment under the direction of B. A. Lindsay, our former principal. The entertainment was a great success and $128 was cleared. Much praise was given to Mr. Lindsay for his untiring efforts to make the program a success. We are glad to note his prosperity.

CARD OF THANKS

We take this means of thanking all those friends who were so kind to us druing our mother's last sickness, and death. Also we appreciateed very much the lovely floral offerings, and the kindness of those ladies who so beautifully decorated the church.

It Improves With Use

There is a delightful thrill in the smoothness with which the Willys-Knight motor "picks up" without "choking"— without the slightest vibration.

There is great satisfaction in being able to throttle it down to a walking pace on high gear.

But the remarkable superiority of the KNIGHT sleeve-valve motor lies in the fact that—

Though all other motors grow noisy, lose power and smoothness—

The KNIGHT sleeve-valve motor grows steadily quieter with use and increases steadily in power, smoothness and all-around performance.

The factory's enormous production made it possible to price this wonderful car at $1125 for the touring car, and $1095 for the Roadster.

Ask us to tell you about the Willys-Knight.

NORTHERN COUNTIES PRAISED IN BOOKLET

Attractive Phamplet Issued By The Northwestern Pacific

The Northwestern Pacific railroad has issued "Vacation 1916" to its patrons. This gives information about resorts where a delightful vacation may be spent, rates and the station at which to get off. It is a neat publication of much value to the traveling public. The booklet contains information about Mendocino, Sonoma, Marin, Lake and Humboldt counties, with maps of the triangle trip from Sausalito to the redwoods, in the vicinity of Camp Meeker.

It also contains the fish and game laws for 1916-17.

The custom of issuing this neat volumne was inaugurated by General R. X. Ryan during his lifetime, and it has been such an advantage since that time that it is issued each year. Under the guidance of Joseph J. Geary the passenger agent of the "Picturesque Route," it has reached its highest perfection, and is an example of the art printorial. Mr. Geary's efforts in the volume just at hand demonstrates how each issue of the booklet is made more complete and more artistic than its predecessor. The front cover is a wonderfully pretty scene, depiciting a fair disciple of Izaak Walton casting a line for a speckled beauty, the pool in which she is engaged in fishing being surrounded by a tree and shrubbery, and done in several colors.

The introduction of the handy volume declares it is "published annually by the passenger department of the Northwestern Pacific railroad to induce acquaintance with the attractive features of the territory served by the company, and to attract passing and permanent locators to a region where the joy of living may be had at a smaller expenditure of labor and money than in almost any other section of the globe." Many handsome pictures adorn the pages of the booklet. Patrons of the company may get copies of the volume for the asking.

HAVE YOU WEAK LUNGS?

Do colds settle on your chest or in your bronchial tubes? Do coughs hang on, or are you subject to throat troubles?

Such troubles should have immediate treatment with the strengthening powers of Scott's Emulsion to guard against consumption which so easily follows.

Scott's Emulsion contains pure cod liver oil which peculiarly strengthens the respiratory tract and improves the quality of the blood; the glycerine in it soothes and heals the tender membranes of the throat.

Scott's is prescribed by the best specialists. You can get it at any drug store.

The Low Cloverleaf Gives the Manure Two Healthy Beatings

WE used to think that if we threw manure onto the ground any old way and plowed it under, we were doing a good job. But now we know that won't do. To do any real good, the manure must be broken up into small pieces and spread evenly.

The **Low Cloverleaf** spreader is the one that does this work best. **It gives the manure two healthy beatings,** one with the regular beater, the other with the wide spread disks. When the manure reaches the ground in that condition your soil gets all the good there is in it, and gets it quickly. The **Low Cloverleaf** is one spreader it will pay you to see before you buy. See the local dealer who has one set up for you to look at.

COMFORTING WORDS

Many a Ukiah Household Will Find Them So.

To have the pains and aches of a bad back removed—to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove comforting words to hundreds of Ukiah readers.

Mrs. Frank Snelson, University St., Healdsburg, Cal., says: "For a long time Isuffered from severe attacks of backache and was caused annoyance by the kidney secretions. My system was much run down and if I tr'ed to do any housework, I had an atack of backache. I tried several medicines, but they failed to help me. I finally used Doan's Kidney Pills and four boxes cured me. I have given Doan's Kidney Pills to the children for kidney weakness and the results have been very satisfactory."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mrs. Snelson. Foster-Milburn Co., Props., Buffalo, N. Y.

Insomnia.

Indigestion nearly always disturbs the sleep more or less, and is often the cause of insomnia. Eat a light supper with little if any meat, and no milk; also take one Chamberlain's Tablet immediately after supper, and see if you do not rest much better. Obtainable everywhere.

Harry Lauder

World-Famous Scotch Comedian, says:

"Tuxedo, for mildness, purity and fragrance, THE tobacco for me. In all my world wide travels I've yet to find its equal as a slow-burning, cool-tasting, sweet-flavored tobacco."

Harry Lauder

He's Searched "The Wide World"

The pipe of this king of laughmakers has left a trail of fragrant smoke clear 'round the world. Why is it he has never found "the equal" of Tuxedo? Because it has no equal—because that famous "Tuxedo Process," that makes Tuxedo mild, cool and non-biting, *can't be used* in any other tobacco.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo is aged *three* to *five* years. But the big secret of that unequalled mildness, coolness and sweet flavor is the genuine "Tuxedo Process." Many have tried to imitate it—no one has succeeded.

Try Tuxedo one week and you'll say as Harry Lauder does, that it's "THE tobacco for me."

You can buy Tuxedo everywhere

Safe Medicine for Children.

"Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic, and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. This remedy is most effectual in relieving coughs, colds and croup. Obtainable everywhere.

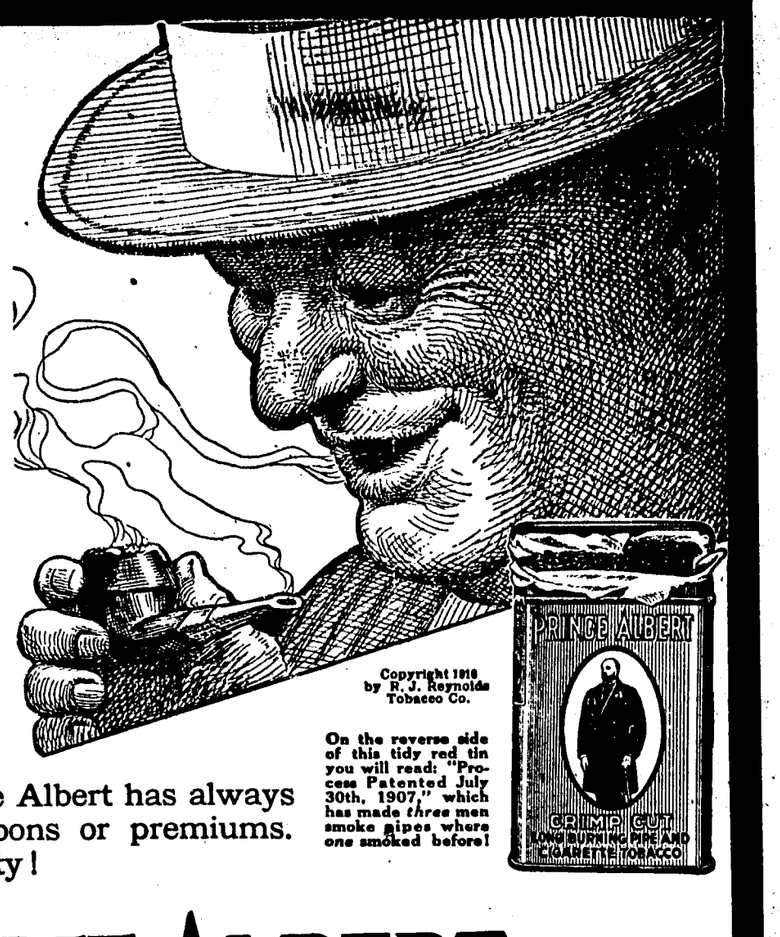
Such tobacco enjoyment

as you never thought could be is *yours to command* quick as you buy some Prince Albert and fire-up a pipe or a home-made cigarette!



Copyright 1916 by R. J. Reynolds Tobacco Co.

On the reverse side of this tidy red tin you will read: "Process Patented July 30th, 1907," which has made *three* men smoke pipes where *one* smoked before!

Prince Albert gives you every tobacco satisfaction your smoke-appetite ever hankered for. That's because it's made by a patented process that *cuts out* bite and parch! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

PRINCE ALBERT

the national joy smoke

has a flavor as different as it is delightful. *You never tasted the like of it!* And that isn't strange, either.

Men who *think* they can't smoke a pipe or roll a cigarette *can smoke* and *will smoke* if they use Prince Albert. And smokers who have not yet given P. A. a try-out certainly have a big surprise and a lot of enjoyment coming their way as soon as they invest in a supply. Prince Albert tobacco will tell its own story!

Buy Prince Albert everywhere tobacco is sold in toppy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors—and—that corking fine pound crystal-glass humidor with sponge-moistener top that keeps the tobacco in such clever trim—always!

SHORTEN RAILROAD SCHEDULE BETWEEN UKIAH-S. F., RUMOR

FEWER STOPS MAY CLIP HOUR FROM TIME TO METROPOLIS; OFFICIALS ARE SILENT.

Ukiah is slated to be a whole hour nearer San Francisco when the new summer schedule is put into effect on the Northwestern Pacific, according to current rumors around the depots and in railroad circles. However, General Passenger Agent J. J. Geary, who was here for a few minutes Monday, would not comment upon the rumored change, either to deny or verify it.

To make the reduction of an hour's time, it is reported that the Eureka express trains, northbound and southbound, will be run with very few stops between Willits and San Francisco. The service for the small towns thus cut off will be made up by giving other local service, with night and afternoon train schedules to those points.

With the Eureka trains stopping only at Ukiah, Cloverdale, Healdsburg, Santa Rosa, Petaluma and San Rafael, much time would be saved and the southbound train which now arrives in San Francisco at 8:05 could make it by 7:05, while a similar saving could be made northbound.

SIR KNIGHTS HOLD SERVICE ON EASTER

Members of Ukiah Commandery Hear Forceful Sermon

Ukiah Commandery No. 33, Knights Templar, attended Divine service in the Presbyterian church in this city last Sunday afternoon, in accordance with the custom which takes the Sir Knights to church for a special service on Easter Sunday.

The Sir Knights attended in full Templar uniform, with the exception of swords, which are omitted on the "Mission of Peace." The magnificent floral adornments of the church for the great festival on Easter were given an additional touch of the spectacular with the attractive uniforms worn by the Sir Knights.

The service was of an elaborate nature and the music was particularly effective. The Rev. H. H. Bell of San Anselmo preached an able and forceful sermon and the entire service was most impressive.

Those in attendance from this city were Hale McCowen, Sr., commander; J. R. Mathews, generalissimo; George P. Anderson, captain general; F. T. Barker, senior warden; C. M. Mannon, Junior warden; C. A. Gowell, recorder; Frank Sandelin, standard bearer; William Finne, sword bearer; J. B. Palmer, warder; H. B. Smith, sentinel; J .M. Mannon, Dr. G. W. Stout, Hale McCowen, Jr., R. L. Hutchison, T. M. Cleland, C. L. Crawford, and John Snow.

The coast cities were represented by Charles Banker, C. G. Mandahl and J. C. Rice of Mendocino; J. W. Kingren and A. Stornetta of Point Arena; H. A. Weller, C. W. Mathews, L. C. Gregory, W. O. Chapman and J. A. Nelson, of Fort Bragg, and W. H. Oppenlander of Comptche.

Among the several visiting Sir Knights in attendance were O. L. Morton, member of El Dorado Commandery No. 24, Placerville; H. F. L. Wilson, from Bakersfield No. 39 of Bakersfield, and George Armstrong, from California No. 1, of San Francisco.

BOB JONES HEADS HOTELMEN'S AD CLUB

With Bob Jones of Vichy Springs as president, the hotel and resort owners of the North Bay counties formed a permanent organization at an enthusiastic meeting at McCray's Monday afternoon. The purpose of the organization is to secure closer co-operation and more advertising for the hotels and resorts of the northern counties.

There was a representation of more than forty per cent and a very pleasant social time was enjoyed after the business of organization had been transacted.

Ukiah was represented at the conference by Bob Jones of Vichy, Mr. and Mrs. H. R. Eaton and Mr. and Mrs. A. I. Marks of the Hotel Cecille, and Frank Sandelin of the Palace Hotel.

FORMER UKIAHITES IN SOUTH RE-UNITE

(Press Special Service.)

LOS ANGELES, April 29.—So many of our members have moved away during the past year that the Ukiah Club of Los Angeles has not had a regular meeting for sometime, but a very pleasant reunion was enjoyed last week at the ranch home of Mr. and Mrs. Charley James, near San Bernardino.

C. A. Scull and wife, with as many as their car would accommodate, left Los Angeles early Wednesday morning and after riding about 65 miles over a fine boulevard, reached "Pets" in time for a splendid dinner and all were made to feel so welcome that another trip was talked of and partly planned.

The only disappointment of the day was that our ex-president, Mrs. Clara Laughlin, had moved to Santa Barbara, and could not join the friends who would have so much enjoyed being with her again.

ALBION MAN GUEST AT FAREWELL FEAST

(Press Special Service.)

ALBION, April 27.—F. H. Manss was the guest at a farewell supper Friday evening which was given by Mr. and Mrs. James Brett.

Mr. and Mrs. James Bouman and Mrs. W. T. Wallace visited in Albion this week.

Mr. and Mrs. H. Nystrom of Mendocino have moved to town. Mr. Nystrom has secured a position with the Albion Lumber Company.

The Steamer Pasadena did make her usual trip this week. She lost her propeller when off Stewart's Point and had to be towed back to San Francisco. Superintendent Manss went down by auto and had the meat and fruit taken off and brought to Albion by auto.

Mr. and Mrs. L. Frye are in San Francisco where Mr. Frye is under the doctor's care.

The baseball game between Albion and Fort Bragg resulted in a victory for Fort Bragg. The score standing 9 to 6. All the fans from Albion were in attendance.

Mr. Thompson of Cloverdale has secured a position in the Albion store.

Roy Bunch of Greenwood was an Albion visitor visitor this week.

CITIES ON EAST BAY MAY BUY WATER HERE

What may develop into one of the biggest water projects in Northern California came to light Saturday when a party of representative officials of Richmond were here investigating the possibility of piping water from the Eel river dam to the East Bay cities.

The party, accompanied by General Graham of the Snow Mountain Water and Power Company, and W. P. Thomas visited the dam Sunday and the visitors were most optimistic over the prospects. In the event that the water is piped down the Russian river, it will serve Richmond, Albany, Berkeley, Oakland, Alameda and Emeryville, and it is expected that all of the cities will join in the project.

Among the visitors here were R. H. Curry, A. J. Simmons, H. E. Wyatt, F. J. Conn, C. B. Evans, W. B. Willis, Frank Hull, W. L. Law, E. J. Gerrard, C. P. Blanchard, H. W. Mergenthal, D. J. Hall, C. C. Cragin, F. S. Newsom.

A seven-pound boy arrived at the home of Mr. and Mrs. Elmer Potter in Petaluma this week. Mrs. Potter was Miss Mina Milne, youngest daughter of Mrs. John Milne of this city.

VOTE BORDWELL TO CHAPMAN

SAVE PARTY LINES AT ELECTION TUESDAY

In three more days California will vote on delegates to the various national conventions to make nominations of candidates for President of the United States.

While the political pot has been simmering for some months, it came to white heat only a few weeks ago when the so-called "United" Republicans sprung into existence, being hatched from the private incubator of Governor Johnson, and through this political trickery he hopes to gain control of the Republican party in California.

Not only is it the ambition of the Johnson-Earl "hydo-electric" element to dictate to the Republicans of the State, but they seek to destroy party lines—to do away with political parties in national government. This they have attempted several times, but they were downed by the people on each occasion.

The Earl "hydro-electric" ticket is masquerading under the false cry for "harmony." They call their ticket the "United Republican" ticket, hoping thereby to create in the minds of the unthinking voter the impression that they are the Simon-pure harmonizers and that the Regular Republican ticket is just the opposite.

Reports from all parts of the county indicate that Mendocino will give the Regular Republicans a landslide vote—the vote they deserve. The only question to be determined is whether Hiram Johnson will rule the State with his "hydro-electric"—the meaning of which has already been explained—political friends or whether the people of the State shall have the controlling hand in political affairs.

Do you believe in government by parties or do you believe in the political trickery of non-partisan principles? That is the question, and the only question which confronts the voters on next Tuesday. It is the duty of every citizen to go to the polls and have a voice in the verdict.

Call for a Republican ballot and stamp the last twenty-six names in the column—from Bordwell to Chapman.

GRANDMA WHITE IS SUMMONED BY DEATH

After many months of patient suffering, Mrs. Priscilla White, a beloved pioneer of Mendocino county, passed away at the home of her daughter, Mrs. Priscilla Moungovan, near Point Arena. She was laid to rest in the Point Arena cemetery.

Priscilla Waterman Haskell was born in Warren, Knox county, Maine, May 29, 1838, and was among the pioneers who experienced the trying hardships of early life in California. On December 1, 1874, she was married to William Henry White, a native of London, at a public wedding in the Odd Fellows' hall in this city. Her husband, who was a wellknown tailor here, passed away more than a score years ago.

Mrs. White was the mother of the late W. O. White, for many years publisher of The Press, and is survived by only one child, Mrs. Moungovan, and a brother, William Haskell, of Point Arena. Many friends who loved this worthy pioneer will extend the deepest sympathy to the bereaved family and relatives.

MANGLED ARM REPAIRED; DRUGGIST RETURNS HOME

John Triguerrio, popular proprietor of the Mendocino Drug Company, was in this city yesterday en route to his home in Mendocino after having been under the care of surgeons several weeks in San Francisco. Triguerrio's hand was caught in the belting and machinery of an electric ice cream freezer at his place of business some months ago and the hand and arm was frightfully mangled. The physicians were able to save the member, however, and with the aid of silver plates have made it almost as good as new.

SANTA ROSA HOPMAN BUYS LAKE CO. FARM

One of the most important realty transactions that has been consummated in a long time, and involving an outlay of $100,000, is the purchase by C. C. Donovan, Santa Rosa hop king, of the 4,000 acre William L. Olmsted ranch in Lake county.

The ranch is considered one of the finest pieces of property in Lake county, is located two miles northeast of Middletown. Of the 4,000 acres 1,400 are in alfalfa and on rich bottom land.

There is an abundance of water and irrigation on the place, the irrigation system alone having cost $25,000 to install. There are some very valuable water rights on the estate.

MIXOLOGISTS WILL TRY SPEED BURNING STUNT WITH CADILLAC EIGHT

Frank Gibney and Lew Reese, mixologists at the Palace Buffet, have been stung by the speed bee and are burning up the State's new highway with their Cadillac "eight," which was purchased this week from Ed. Hensley of Upperlake. The car has all the up-to-the-minute attachments and equipment of Noah's time, and, mechanically, has lost none of the pep and ginger which carried it through the trying times of '76. While it has been officially christened the "Cadillac Eight," the name might be a little misleading, since it has only one cylinder, but a capacity for eight passengers.

LOCAL MAN WINS TALENTED OAKLAND GIRL AS BRIDE

Richard Probst, an employee of C. Hofman Company of this city, and Miss Elizabeth Catherine Whelan, a talented young woman from Oakland, were wedded at the Catholic church by Father Sebastian Wednesday.

Announcement has been made of another wedding to take place at the Catholic church tomorrow when John Turri will claim Miss Mary Lucatelli as his bride. Both are residents of this valley.

COAST ROADS ARE GOOD; COUNTRY IS PROSPERING

Pat Connolly, of the Connolly and Handy Abstract Bureau, returned the early part of the week from a several days' tour of the coast section and brings back most optimistic reports of conditions in that prosperous part of the county. The roads are good, crops show excellent prospects and the lumbering industry is booming, according to Mr. Connolly.

He was accompanied on the trip by his daughters, Miss M. E. and Miss Gertrude, and son, W. D. Connolly, and Mrs. H. R. Obrell, who has been a guest at the Connolly home.

During the trip they visited Fort Bragg, Mendocino, Albion, Greenwood and the towns en route.

FORMER UKIAH GIRL IS BRIDE IN CITY OF ROSES

Miss Leta A. Lucas, daughter of T. A. Lucas, formerly of this city, became the bride of Henry E. Conger in Santa Rosa Monday afternoon, the Rev. Father J. M. Cassin performing the ceremony. The bride is a trained nurse and had been employed at the Burke and general hospitals.

TESTS FOR TEACHERS WILL START MAY 8

The examination for teachers' certificates will be held during the week of May 8, according to the Board of Education, which was in session the early part of the week. It is expected that there will be an exceptionally large class, inquiries and applications coming from as far away as the Atlantic states.

During this week's session, the board prepared examination questions for the seventh grade promotion and the eighth grade graduation in the grammar schools, and will meet again on May 6 to prepare questions for the examination for teachers' certificates.

BANKERS TO HAVE TWO DAYS OF FUN

Business and pleasure will mingle freely on the programme prepared by the committee in charge of arrangements for the Mendocino Banker's convention to be held in this city May 5 and 6.

The programme will open at 2 o'clock Friday May 5, with a meeting for organization, to be followed by a banquet at the Palace Hotel at 8 o'clock. Saturday the day will be started at 8 o'clock with an automobile excursion, and at 2 o'clock Russell Lowry, president of the First National Bank of Oakland, will address the county bankers. In the evening a theater party will be held at the Victory.

The programme committee is composed of J. M. Mannon of the Savings Bank of Mendocino County, H. T. Hopper of the Bank of Ukiah, and W. P. Thomas of the Commercial Bank of Ukiah.

CUPID SUFFERING FROM SPRING FEVER, IS LAZY

Only four licenses to wed were issued during the past week, one couple coming all the way from San Francisco to keep up the average in this county. Cupid Catherine Thomas declares that the love god is suffering from an attack of spring fever, which accounts for the small number of licenses and also the poor matches in regard to age.

Those who secured licenses were:

Charley Meyer, 34, and Mary Elizabeth Martindale, 17, both of Dos Rios; Roy Daniel Sullivan, 25, and Gladys H. Wagner, 23, both of San Francisco; Richard William Probst, 21, of Ukiah, and Elizabeth Catherine Whelan, 19, of Oakland; John Turri, 22, and Mary Locatelli, 18, both of Talmage.

STATE HOTELMEN TO MEET HERE MAY 20

Vichy Springs Will Be Scene Of Annual Spring Confab

ALSO TO HOLD JINKS

Northern Landlords To Have Gay Time At Popular Resort

Bob Jones, popular landlord at Vichy Springs, will be the host to a half-hundred hotelmen of Northern California on May 20, when the Northern Hotel Keepers' Association opens its annual spring meeting at that wellknown resort.

Vichy was selected as the meeting place at a conference in Sacramento Tuesday, the motion being made by James Woods, manager of the Hotel St. Francis, San Francisco, after Jones and Frank Sandelin, who was also in attendance, had completed their campaign to bring the hotelmen to Ukiah.

It is expected that fifty wellknown hotels in the northern part of the State will be represented when the delegates invade this city, and since they are also to hold their spring jinks at Vichy, they will be accompanied by their wives, making at least a hundred people who will be here for the occasion.

The Palace and Cecille hotels will join in entertaining the guests, both being members of the oragnization, and a gala social week is anticipated.

ODD FELLOWS HOLD GAY BIRTHDAY FETE; HOSTS TO REBEKAHS

NINETY-SEVENTH ANNIVERSARY IS CELEBRATED AT MERRY REUNION AND FEAST.

The ninety-seventh anniversary of the establishment of Odd Fellowship in America was fittingly observed by Ukiah lodge on Tuesday evening when the order entertained its sister degree, the Rebekahs, at a most enjoyable social evening.

Noble Grand George David was the presiding officer and an interesting programme opened the evening of gaiety. Louis Hardie gave the address of welcome, Miss Marguerite Thomas was heard in a delightful vocal solo, Mrs. Nathan Beckley gave a short history of the work and ambitions of the Rebekah degree, and the Rev. D. Catchpole gave a history of Odd Fellowship in America.

The program was followed by a sumptuous banquet, over which T. J. Weldon presided as toastmaster. The hall was prettily decorated, and the hundred Odd Fellows and Rebekahs in attendance voted the affair the most successful and enjoyable birthday party in the history of the local lodge.

MERCURY CONTINUES TO CLIMB; PLUVIUS RESTS

While farmers and stockmen are condemning Old Sol and praying for at least a couple of inches of rain to help the crops and ranges, Dr. George McCowen, local observer, declares that Pluvius is already on his annual vacation and fails to report even a drop of rain for the past week. The total for the season is 34.15 inches, against 45.75 last season. The maximum temperature for the week was 79 degrees on Tuesday and the minimum 34 on Saturday and Sunday.

JITNEY TANGOS WILL SWELL 4TH OF JULY FUNDS

A series of eight nickle dances has been arranged by the finance committee of the Fourth of July Celebration Committee as a means of helping to swell the fund to hold the big joy festival on July 2, 3 and 4. The first dance will be given in front of the court house on the evening of May 6, and they will be held each Saturday night following.

An enthusiastic meeting of the general committee was held on Wednesday evening at which time it was decided to have an illuminated growlers parade on the evening of the Fourth, together with fire works and a merry Mardi Gras festival.

The finance committee reported that it already had $539 pledged by local business and professional men, and final plans for the big celebration are rapidly being rounded into final form.

ALBION WOMAN DIES AFTER LONG ILLNESS

Mrs. E. F. Alexander, for many years a resident of Albion, passed away Wednesday after a lingering illness, and the funeral service will be held this afternoon in the coast town.

Mrs. Alexander was a native of Minnesota and was 47 years old. She is survived by three children, G. F. Alexander of Albion, Fitzhugh Alexander of Eureka and Miss Lillian Alexander of Albion, who is one of the county's popular teachers.

Among those from Ukiah who will attend the funeral are Mrs. Anna Porterfield, Miss Wanda Lawson and James C. Hurley.

YOUTH MEETS DEATH IN SWIMMING POOL

Plunging into a pool of cold water after eating a hearty picnic lunch, cost the life of Willie Brann, a ward at the Albertinum Orphanage Tuesday afternoon when he drowned within a stone's throw of his schoolmates.

Several children from the school were picnicking in Todd's Grove when Willie Brann and a playmate separated themselves from the rest and made for the swimming pool. Brann was first to plunge in the water and when he did not rise, his companion ran to secure assistance.

Instead of reporting it at the grove, however, he made for another part of town, finally informing J. R. Gibson, who succeeded in getting the lad out of the water, and Dr. Liftchild was summoned but all efforts failed to revive the youth. The coroner's jury yesterday returned a verdict of accidental death.

WOMEN ARRESTED DURING RAID; GUILTY; FINED $25

Esther Aharn and Eva Davis, arrested for vagrancy in the recent raid on the Fort Bragg redlight district, pleaded guilty before Judge James C. Hurley yesterday, through Attorney C. H. McConaughy. Both paid fines of $25, after a plea for probation had been denied by the court.

NO GAME SUNDAY

The baseball game which was scheduled for Sunday between the Ukiah Brownies and the Hopland nine, will not be played. Hopland sent word yesterday that they were not in proper condition, but when they do show up, at a later date, expect to take the locals into camp. On May 7 Manager Brown has arranged for a game with Albion on the Ukiah diamond.

HEIRS END FIGHT FOR $100,000 ESTATE

Contract Awarded To Survey Big Hardin Holdings

LONG IN LITIGATION

County's Biggest Stock Ranch May Soon Be Subdivided

After a half-dozen years of wrangling and litigation, the vast Hardin estate in the northern part of the county is to be surveyed for subdivision and distribution among the several heirs. The 11,000 acres of the estate, which lies in Long Valley, Cahto and Sherwood Valley, is valued at approximately $100,000.

Since the death of Colonel James A. Hardin eight years ago, the big cattle ranch has been managed by the administrators, Amos Riley Hardin and W. J. Eardley. During this time several attempts have been made to close the estate and divide the property, but all attempts to reach a satisfactory settlement have been futile, except with Mrs. William Upton, one of the daughters, who has been awarded a part of the Long Valley ranch and property in Santa Rosa.

It is believed that the awarding of a contract to survey the ranch, executed in Santa Rosa this week, means that terms have been agreed upon. The contract for making the survey was awarded to J. E. Williams, wellknown civil engineer of Santa Rosa, for $1800, and it is expected that it will require at least two months to complete the work.

The heirs interested in the division of the property are Amos Riley Hardin of San Francisco, Ed. Hardin of Venice, Mrs. W. J. Earkley of Berkeley and Mrs. Chet Pooler of San Francisco.

TWENTY-TWO YEARS WEDDED; WIFE SUES

After twenty-two years of wedded life, Mrs. Viola Lownes this week started suit for divorce against J. E. Lownes of Talmage, alleging desertion and failure to provide. The couple was married in Humboldt county February 24, 1892, and separated September 1, 1914, according to the complaint, which was filed by Attorney Charles Kasch.

The case of J. A. Dunn against J. H. Scales has been appealed from Justice C. W. Reinking's court at Point Arena and will be heard by Superior Judge White. The suit, in which Dunn is represented by Attorney J. W. Kingren, is to recover $269.50, with interest, alleged to be due for money loaned and in payment for 131 days work.

J. M. Haigler, through Thomas and Thomas, has brought suit against Lorena Haigler, et als, heirs in the estate of the late Alexander McIlree, who left valuable timber interests in this county. Haigler asks for $1732.-08, and interest, which he claims represents his expenses in the administration of the estate.

LINEMAN LYNCH FALLS FROM POLE; BADLY HURT

Roy Lynch, lineman for the Pecific Telephone and Telegraph Company, was badly hurt Saturday when he fell from a pole while repairing a wire. His climbers struck a knot in the pole and refused to hold. In falling he struck his knee, which was seriously bruised. Dr. S. L. Rea treated the injury and Lynch is convalescent.

SPECIAL TRAIN FOR SANTA ROSA MEET

Despite the exceedingly light traffic on previous occasions, and against the better judgment of railroad officials, the Northwestern Pacific has consented to run a special excursion to Santa Rosa tomorrow on account of the field meet to be held in the Rose City.

The train will leave this city at 8:20 o'clock in the morning, and, returning, will leave Santa Rosa at 5:20 o'clock in the afternoon. The fare for the round trip will be one dollar.

The officials were loath to grant this low rate because in many previous instances the trains which have been run for field meets and other attractions have been poorly patronized and the company has almost invaribly faced a deficit in the operation of the train. However, Ukiah will send a big team to the meet tomorrow and a number of rooters are contemplating making the trip.

Catarrh and Colds Relieved To Be Rid of Catarrh

Is a great achievement. Most people would be well and happy were it not for catarrh. It is worth ten years of any one's life to learn how to get rid of catarrh.

PE-RU-NA

will show you, much quicker than any one could tell you, how to get rid of catarrh.

THE PERUNA CO., Columbus, Ohio

Mrs. Emma Gannon, 107 E. South St., Kewanee, Ills., writes: "For fifteen years I had catarrh of the head and stomach. I could hardly walk. My attention was called to 'The Ills of Life.' I read it through. Then bought a bottle of Peruna. I am entirely well now."

DRINK SIX GLASSES OF WATER DAILY

An Interesting Statement by One of the Big Men in the Drug Business

A. E. KIESLING

of Houston, Texas, says:

"If you have a muddy complexion and dull eyes, you are constipated. Six glasses of water daily and one or two Rexall Orderlies at night will correct this condition and make you 'fit as a fiddle.' Rexall Orderlies, in my opinion, are the best laxative to be had, and can be taken by men, women or children."

We have the exclusive selling rights for this great laxative.

Spring.

Spring is looked upon by many as the most delightful season of the year, but this cannot be said of the rheumatic. The cold and damp weather brings on rheumatic pains which are anything but pleasant. They can be relieved, however, by applying Chamberlain's Liniment. Obtainable everywhere.

"PENN'S THICK" FLAVORED BY NATURE

Plug is the Best Form in Which Tobacco Can Be Made, and Penn's Thick is World's Best Plug

IT'S THE TASTIEST OF CHEWS

Nobody knows how to mix flavors like old Nature does—and it's the true nature-flavor—the real flavor of rich, ripe, white Burley—that you get in a chew of Penn's Thick Natural Leaf.

The most satisfying and wholesome way to use tobacco is to *chew* it—and the best and cleanest form of chewing tobacco is the *plug* form in which Penn's Thick is made.

Penn's Thick is the one "natural leaf" tobacco that lives up to its name and gives you the natural flavor.

Penn's Thick is made of the choicest white Burley leaf, in the world's greatest plug tobacco factory, and under absolutely clean, sanitary conditions.

Try Penn's—you'll know right away that you're tasting real *tobacco*.

Penn's is guaranteed to be the best Natural Leaf Tobacco made. Any dissatisfied customer can return it to any merchant, whom we hereby authorize to refund the money. Try a 10c cut to-day.

Why Suffer With Backache, Kidneys or Rheumatism, Now?

Letter Tells of Long Looked-for Prescription.

Dear Readers:—I am making a personal appeal to those of you who are bothered with kidney and bladder trouble and rheumatism, to give up the use of harsh salts, or alcoholic kidney medicines that you know nothing about, and in their place take a short treatment of "An-Uric" and be convinced of its superiority, as I was.

I have taken many of the kidney medicines but none with the results of "An-Uric." I am so pleased with the curative properties of this wonderful prescription that I cannot say enough about it.

You've all undoubtedly heard of the famous Doctor Pierce and his well-known medicines. Well, this prescription is one that has been successfully used for many years by the physicans and specialists at Dr. Pierce's Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for kidney complaints, and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine, and urinary troubles.

Up to this time, "An-Uric" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing tablet, Doctor Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers.

I know of one or two leading druggists in town who have managed to procure a supply of "An-Uric" for their anxious customers in and around this locality.

At any rate don't give up hopes of being cured of your malady until just a few doses of "An-Uric" has proven that it will make you feel like a different person.—E. L. R.

Harry Lauder

World-Famous Scotch Comedian, says:

"Tuxedo, for mildness, purity and fragrance, THE tobacco for me. In all my world wide travels I've yet to find its equal as a slow-burning, cool-tasting, sweet-flavored tobacco."

Harry Lauder

He's Searched "The Wide World"

The pipe of this king of laughmakers has left a trail of fragrant smoke clear 'round the world. Why is it he has never found "the equal" of Tuxedo? Because it has no equal—because that famous "Tuxedo Process," that makes Tuxedo mild, cool and non-biting, *can't be used* in any other tobacco.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo is aged *three* to *five* years. But the big secret of that unequalled mildness, coolness and sweet flavor is the genuine "Tuxedo Process." Many have tried to imitate it—no one has succeeded.

Try Tuxedo one week and you'll say as Harry Lauder does, that it's "THE tobacco for me."

You can buy Tuxedo everywhere

Safe Medicine for Children.

"Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic, and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. This remedy is most effectual in relieving coughs, colds and croup. Obtainable everywhere.
